Civils Atlas · Cross-month reading journeys

18 comparative paths across 2025, January–October 2026 and a selected 1–7 November 2026 batch. Preserve evidence vintages, draft status and commencement dates; reading order is not one continuous legal timeline.

PATH-01 · Monetary decisions across the cycle

Rate, stance and transmission

- FEB25-001 · 2025-02 · RBI cuts the repo rate to 6.25%
- APR25-003 · 2025-04 · RBI repo cut to 6%; stance turns accommodative
- E5-2506-001 · 2025-06 · June MPC: a 50-basis-point cut with a neutral stance
- E5-2508-001 · 2025-08 · August MPC pause: repo held at 5.5%
- E5-2508-006 · 2025-08 · Monetary framework consultation: headline versus core inflation
- E6-2510-001 · 2025-10 · October MPC: hold with a neutral stance
- E6-2510-002 · 2025-10 · Q2 CPI: falling food prices, not general deflation
- E7-2511-001 · 2025-11 · Q2 GDP: real growth, sector mix and release vintage

- E13-2606-008 · 2026-06 · FEMA opens the individual route beyond NRI/OCI status
- E13-2606-009 · 2026-06 · Mis-selling rules: consent alone is insufficient
- E13-2606-010 · 2026-06 · Digital-fraud liability: bank burden and a calendar-day clock
- E13-2606-011 · 2026-06 · Fraud compensation: gross threshold, net-loss calculation and sunset
- E13-2606-012 · 2026-06 · Liquidation reform: creditor oversight and shorter clocks
- E13-2606-013 · 2026-06 · ATF stabilisation: ₹10,000 crore is an advance, not a permanent grant
- E13-2606-014 · 2026-06 · IIP rebasing: actual launch on 1 June, not a May calendar slot
- E13-2606-015 · 2026-06 · 29 June IIP: PPI-based supersession is a second milestone
- E13-2606-046 · 2026-06 · AP Aviation Policy 2026–31: distinguish policy period from 2035 targets
- E13-2606-049 · 2026-06 · FiberNet financing: ₹300 crore guarantee is a contingent liability
- E13-2606-055 · 2026-06 · Amaravati CGGPOA: ₹1,299.08 crore Union office approval

- E13-2606-056 · 2026-06 · Amaravati GPRA: ₹1,234.91 crore is housing, not the office complex

- E13-2606-061 · 2026-06 · Coal Exchange Rules: demutualisation and delivery discipline

- E14-2607-059 · 2026-07 · AP inflation in the 13 July release: June prices, provisional estimates

- E14-2607-064 · 2026-07 · National CPI release: monthly rates versus quarterly averages

- E15-2608-001 · 2026-08 · Q1 GDP: distinguish growth, prices and the data vintage

- E15-2608-002 · 2026-08 · New-series IIP: a fourth sector matters

- E15-2608-003 · 2026-08 · August MPC: unchanged rates do not remove supply risks

- E15-2608-012 · 2026-08 · Foreign-asset disclosure: valuation dates are not filing dates

- E16-2609-001 · 2026-09 · Q1 BoP: a goods deficit is not the current-account deficit

- E16-2609-006 · 2026-09 · WMA advisory: liquidity support is not a fiscal grant

- E16-2609-028 · 2026-09 · A decade of flexible inflation targeting: judge outcomes carefully

- E17-2610-001 · 2026-10 · October MPC: a rate-hike consensus is not unanimity on stance

- E17-2610-002 · 2026-10 · Daily CRR maintenance: 99% of the requirement is not 99% of deposits

- E17-2610-003 · 2026-10 · Q2 inflation: observation month, release month and index base differ

- E17-2610-006 · 2026-10 · Banking for Viksit Bharat: committee remit is broader than bank size

- E17-2610-007 · 2026-10 · Forex measures: FERR, underlying exposure and the oil window are distinct

- E17-2610-041 · 2026-10 · Economic Sciences 2026: expectations connect households, firms and stabilisation

Avoid this shortcut: Distinguish a decision, its stance and a consultation about the framework. August rates remain a historical snapshot. Later entries are historical snapshots; comparisons do not establish one legal programme.

Mains synthesis: Why can easing and a neutral stance coexist?

PATH-02 · Income-tax legislative journey

Introduction → scrutiny → replacement/passage

- FEB25-004 · 2025-02 · Income-Tax Bill 2025: introduction, not enactment

- E5-2507-002 · 2025-07 · Income-Tax Bill committee report: simplification requires precision

- E5-2508-003 · 2025-08 · Income-Tax replacement passed: simplification and digital search powers

- E13-2606-007 · 2026-06 · Government-security tax exemption for FIIs and BIS

- E15-2608-010 · 2026-08 · Taxation amendment: study legal stage before financial effects

- E15-2608-012 · 2026-08 · Foreign-asset disclosure: valuation dates are not filing dates

- E16-2609-002 · 2026-09 · UPI MDR: merchant pricing is not a consumer transfer fee

- E16-2609-010 · 2026-09 · E-commerce amendment: notification now, commencement in 2027

- E16-2609-020 · 2026-09 · Commercial calls: verify consent rather than presume a lasting relationship

- E16-2609-023 · 2026-09 · Real-world asset tokenisation: digital claims need legal foundations

- E16-2609-035 · 2026-09 · Agentic AI: tool access increases the need for accountable control

- E16-2609-053 · 2026-09 · AP influencer empanelment: public information must remain identifiable

Avoid this shortcut: Do not backdate August passage to February; passage and the stated April 2026 commencement differ. Later legal changes need a fresh check.

Mains synthesis: How does scrutiny improve simplification without expanding intrusive powers unchecked?

PATH-03 · Census and representation

Cabinet decision → announced exercise

- APR25-006 · 2025-04 · Cabinet approves caste enumeration in the next Census
- E5-2506-003 · 2025-06 · Census 2027 announcement: collection and reference date differ
- E5-2508-010 · 2025-08 · Goa ST-seat readjustment Bill passed
- E9-2602-009 · 2026-02 · XVI Finance Commission: 41% of divisible pool, not all receipts
- E9-2602-030 · 2026-02 · Panchayats: schedules do not automatically devolve every function
- E10-2603-001 · 2026-03 · Budget-session resumption and legislative stages
- E10-2603-004 · 2026-03 · Transgender amendment: parliamentary-stage snapshot
- E10-2603-041 · 2026-03 · Amaravati resolution: request versus statutory amendment
- E10-2603-047 · 2026-03 · Chinthada Anand: statutory SC eligibility and the ST distinction
- E11-2604-001 · 2026-04 · Budget-session closure: extension and scrutiny
- E11-2604-002 · 2026-04 · Defeated delimitation package: proposals are not constitutional changes
- E11-2604-036 · 2026-04 · Census 2027: April rollout is not completed population enumeration
- E11-2604-041 · 2026-04 · Amaravati Act: assent 6 April, deemed effect 2 June 2024
- E11-2604-043 · 2026-04 · AP census: self-enumeration and later field validation
- E12-2605-001 · 2026-05 · Supreme Court capacity: 37 judges plus the CJI
- E12-2605-006 · 2026-05 · VB–G RAM G: draft allocation rules before commencement
- E12-2605-018 · 2026-05 · Demographic-change committee: remit is not a finding
- E12-2605-021 · 2026-05 · Constitutionalism is more than numerical majority
- E12-2605-022 · 2026-05 · PAI 2.0: reference year, categories and local validation
- E12-2605-023 · 2026-05 · ECI appointments: committee design and pending review
- E12-2605-024 · 2026-05 · Sports Board and Tribunal: institutions need operational capacity
- E12-2605-045 · 2026-05 · Examination reform: security, fairness and recovery
- E12-2605-051 · 2026-05 · Bhojshala: distinguish archaeology, attribution and current orders
- E12-2605-055 · 2026-05 · South Coast Railway: May notification, June operation
- E12-2605-063 · 2026-05 · Andhra education model: enrolment, retention and learning
- E14-2607-011 · 2026-07 · Births and deaths Bill: delayed registration and judicial verification
- E14-2607-035 · 2026-07 · Citizenship determination: remand, notice and reasoned findings
- E14-2607-036 · 2026-07 · CRS: completeness, timeliness and cause-of-death quality
- E15-2608-004 · 2026-08 · Monsoon session: legislative output versus deliberation
- E15-2608-005 · 2026-08 · MMDR amendment: mineral revenues and fiscal federalism
- E15-2608-016 · 2026-08 · Tribunals reform: independence must accompany expertise

- E15-2608-017 · 2026-08 · Indian Statistical Institute Bill: autonomy under a new structure

- E15-2608-025 · 2026-08 · Panchayati Raj review: devolution needs staff and fiscal space

- E15-2608-026 · 2026-08 · Digital land records: mapping is not conclusive title

- E16-2609-003 · 2026-09 · Insurance distribution consultation: change incentives, not just disclosures

- E16-2609-004 · 2026-09 · Personal guarantors: strengthen creditor decisions without erasing due process

- E16-2609-005 · 2026-09 · Money-mule draft: freezing fraud proceeds needs a reviewable process

- E16-2609-007 · 2026-09 · EPFO wage ceiling: read the notified statutory purpose

- E16-2609-009 · 2026-09 · Petroleum amendment draft: decriminalisation is offence-specific

- E16-2609-019 · 2026-09 · Television advertisement limits: repeal has a specific scope

- E16-2609-020 · 2026-09 · Commercial calls: verify consent rather than presume a lasting relationship

- E16-2609-021 · 2026-09 · Steel safety council: institutions must learn from near misses

- E16-2609-043 · 2026-09 · Party symbols: faction adjudication is not anti-defection adjudication

- E16-2609-052 · 2026-09 · Four police commissionerates: institutional change needs readiness

- E16-2609-053 · 2026-09 · AP influencer empanelment: public information must remain identifiable

- E17-2610-032 · 2026-10 · Census enumerators: eligible recruitment pools and data protection differ

- E17-2610-033 · 2026-10 · Census towns: urban statistics do not automatically create a municipality

- E18-2611-001 · 2026-11 · VISTAR: a stronger statistical system needs trustworthy methods, not just more data

Avoid this shortcut: Caste enumeration, reference dates and Goa’s state-specific representation measure are distinct issues—not one completed nationwide delimitation.

Mains synthesis: What safeguards connect credible statistics with fair representation?

PATH-04 · Trade agreements and external shocks

Negotiation conclusion → signature → exposure

- MY25-002 · 2025-05 · India–UK FTA talks concluded: not yet entry into force

- CA-033 · 2025-07 · India–UK CETA signed: May conclusion followed by July signature

- E5-2508-021 · 2025-08 · India–EAEU terms of reference: another negotiation stage

- E5-2508-031 · 2025-08 · August US tariff shock: product coverage matters

- E6-2509-019 · 2025-09 · India–Israel investment agreement signed

- E6-2509-020 · 2025-09 · Australia organic MRA: product scope matters

- E6-2510-020 · 2025-10 · TEPA enters into force: targets are not realised flows

- E6-2510-022 · 2025-10 · WTO fisheries agreement: September entry, October review

- CA-035 · 2025-11 · Export Promotion Mission: finance plus market readiness

- E7-2511-011 · 2025-11 · Israel FTA terms: not the September investment treaty

- E7-2511-012 · 2025-11 · RBI trade relief: time extension is not debt cancellation

- E7-2512-021 · 2025-12 · Oman CEPA signed: tariff lines versus trade value

- E7-2512-022 · 2025-12 · India–NZ conclusion: correct date and coverage denominator

- E8-2601-006 · 2026-01 · India–EU FTA: conclusion, not immediate universal free trade
- E8-2601-007 · 2026-01 · EU services and CBAM: access does not erase regulation
- E8-2601-008 · 2026-01 · UAE visit: future LNG delivery and letters of intent
- E8-2601-009 · 2026-01 · Germany visit: declarations, institutions and transit limits
- E8-2601-032 · 2026-01 · EPI 2024: composite readiness, published in 2026
- E8-2601-038 · 2026-01 · AP EPI: fifth, 60.65, Leader category
- E9-2602-015 · 2026-02 · India–US trade: 7 February framework is not a timeless tariff table
- E9-2602-016 · 2026-02 · India–GCC terms of reference: negotiating scope, not concluded FTA
- E9-2602-020 · 2026-02 · India–France: elevated partnership and industrial cooperation
- E9-2602-021 · 2026-02 · India–Brazil: minerals, digital and health cooperation
- E9-2602-022 · 2026-02 · India–Malaysia: semiconductors, skills and disaster management
- E9-2602-032 · 2026-02 · Textile package: five linked components, not five completed missions

- E13-2606-013 · 2026-06 · ATF stabilisation: ₹10,000 crore is an advance, not a permanent grant
- E13-2606-021 · 2026-06 · India–France: technology cooperation beyond procurement
- E13-2606-022 · 2026-06 · India–Myanmar talks: connectivity amid difficult political conditions
- E13-2606-023 · 2026-06 · India–Mauritius: judge a package by project outcomes
- E13-2606-024 · 2026-06 · Seychelles: five MoUs are not the entire agreement set

- E13-2606-025 · 2026-06 · India–Slovakia: a wider European partnership portfolio

- E13-2606-026 · 2026-06 · Antarctic Treaty: 65 years since entry into force

- E13-2606-027 · 2026-06 · Logistics agreements: access does not equal permanent basing

- E14-2607-009 · 2026-07 · Mobile Phone Manufacturing Scheme: sales, sourcing and design

- E14-2607-066 · 2026-07 · Japan · Economic-security cooperation: resilient supply chains, not autarky

- E14-2607-067 · 2026-07 · Indonesia · Maritime and technology ties: cooperation across the eastern Indian Ocean

- E14-2607-068 · 2026-07 · Australia · Energy, maritime and emerging-technology cooperation

- E14-2607-069 · 2026-07 · New Zealand · Maritime cooperation, Antarctic research and trade ambitions

- E15-2608-008 · 2026-08 · BHAVYA–Rasayan: shared infrastructure for chemical parks

- E15-2608-009 · 2026-08 · E-commerce exports: separate the exporter from the online seller

- E15-2608-030 · 2026-08 · India–Uzbekistan: partnership ambitions need connectivity

- E15-2608-034 · 2026-08 · Professional services: regulation can protect quality or restrict entry

- E16-2609-008 · 2026-09 · Green Energy Corridor III: integrate generation, transmission and storage

- E16-2609-022 · 2026-09 · Rare-earth magnets: resources do not equal industrial capability

- E16-2609-024 · 2026-09 · Dedicated freight corridors: integration matters beyond track length

- E16-2609-025 · 2026-09 · Bamboo economy: forest location changes the legal context

- E16-2609-026 · 2026-09 · Middle-income trap: move from accumulation to productivity

- E16-2609-037 · 2026-09 · Data-centre cooling: efficiency metrics need defined boundaries

- E16-2609-054 · 2026-09 · SIPB investment pipeline: proposals and jobs remain conditional

- E16-2609-055 · 2026-09 · AP energy approvals: capacity needs network and commercial viability

- E16-2609-060 · 2026-09 · AP application: plan storage and transmission around usable service

- E17-2610-007 · 2026-10 · Forex measures: FERR, underlying exposure and the oil window are distinct

- E17-2610-011 · 2026-10 · Container manufacturing: TEU capacity is not cargo already carried

- E17-2610-012 · 2026-10 · ITLA: integrate technical planning without conflating financial appraisal

- E17-2610-013 · 2026-10 · Bharatiya Vayuyan Niyam: consolidation and future commencement

- E17-2610-034 · 2026-10 · India–Switzerland: mobility arrangements are not unrestricted migration

- E17-2610-035 · 2026-10 · India–Poland: a trade target needs an implementation pathway

Avoid this shortcut: EAEU negotiating terms are not the UK agreement; tariff headlines are product/date dependent. This is a comparative trade-policy path, not one treaty. Later entries are historical snapshots; comparisons do not establish one legal programme.

Mains synthesis: What converts diplomatic market access into resilient exports?

PATH-05 · Quantum capability and responsible claims

Deep tech → planned project → institutional approval

- VM2504-004 · 2025-04 · Deep-tech innovation: patient capital and scientific capability

- E17-2610-049 · 2026-10 · Free-space QKD: secure keys are not an entire unbreakable network

Avoid this shortcut: The July nodes have different roles: institution, financing and cyber preparedness. None proves a fault-tolerant computer was commissioned. September/October entries are historical snapshots; comparisons do not establish one legal programme.

Mains synthesis: How should AP evaluate quantum investment by validated capability?
